Property Description

Location: Dubai, United Arab Emirates, Maritime City, Pier Residences

Tereza Estates proudly presents Pier Residences, a brand new community & destination located on the first line of waterfront Dubai Maritime City, one of the best new seafront upcoming communities offering some of the nicest open sea views and extraordinary community masterplan with great connectivity to the main attractions in Dubai. Pier Residences is a waterfront sanctuary offering breathtaking calm sea views and beautifully designed architecture with striking exterior that mimics a wave's crest, blending perfectly with unobstructed sea views embraced by floor to ceiling tempered glass windows in each apartment and spacious balconies/terraces where you can enjoy the sea breeze of the waterfront living.

Pier Residences will comprise of G + 4 Podium Levels + 23 residential floors and a Rooftop Deck with Pool. Pier Residences comprises of 1,2 and 3bedroom apartments being offered fully fitted and fully equipped with kitchen appliances by Bosch & Siemens. Beautifully designed interiors with finishes such as Scandinavian Oak Flooring for the living and bedrooms areas with double height ceilings of 3.6meters in some of the layouts, as well as Italian Marble and Porcelain tiles used in the spa inspired bathrooms with Villeroy & Bosch Sanitary Ware. Colours used in the interior design of the apartments and common areas are calm & subtle, perfectly blending in different materials together creating a warm ambience that is contemporary yet timeless & chic.

Pier Residences will offer extraordinary amenities such as rooftop deck & infinity swimming pool along with Health & Juice Bar for residents, perfect to enjoy sunny days with spectacular views of the Gulf & the Arabian Sea, or simply stargaze at the sky filled with stars surrounded by the fresh sea breeze. Among other amenities will be also the new best thing that New Developments in Dubai offer - your very own Jogging & Walking Track on the podium of the building to embrace the healthy lifestyle with morning workouts, fully equipped state of the art gym ofcourse, as well as Padel Court. Other benefits that residents will be able to enjoy include welcome lobby area, residents lounge, indoor & outdoor kids play area and ofcourse direct access to endless seafront boardwalk of Maritime City just steps from your residence.

Dubai Maritime City will offer many beautiful new residential & commercial developments with multiple entertainment activities, restaurants, shops, cafes and more in the future. The community is set to rise and be completed within the next 3-5 years, offering an excellent opportunity for investors and endusers alike to benefit from reasonably priced apartments with great potential for capital appreciation due to its waterfront location and excellent masterplan, as well as limited space for future projects on the Maritime City as compared to other man made islands in Dubai.
